

## Enhance & Protect Your Deck - Natural Decking Oil

*Taking care of your timber*

### Enhance and protect your deck with Urethane Coatings - Natural Decking Oil

Fancy staying in a place like this? Well you can!

Experience this Air BNB nestled at the foothills of the Blue Mountains in a small township Bowen Mountain in the City of Hawkesbury, NSW, Australia. A tranquil place to escape from the hustle and bustle of the city.

The owner of this beautiful Air BNB wanted to enhance and protect the natural beauty of their merbau timber decking. They chose a local contractor to complete the work for them, the contractor chose **Urethane Coatings Natural Decking Oil** for the job.

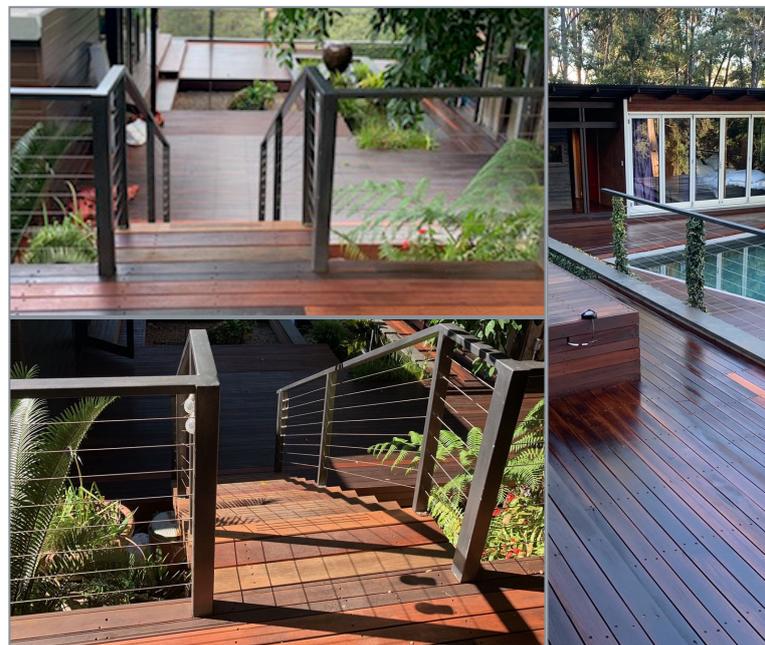

**Urethane Coatings Natural Decking Oil** offers a low sheen, semitransparent finish highlighting the natural features and grain of the timber, while protecting and extending its life.

#### Applications include:

- Decking,
- Outdoor Furniture,
- Unpainted Weather Boards,
- Door Jams,
- Window Frames,
- Fences,
- Steps & Railings.

**Urethane Coatings Natural Decking Oil** contains Tung Oil and Linseed Oil it has been developed to provide long lasting protection for exterior timber structures and weathers naturally without cracking and peeling.

*A beautiful deck that weathers naturally with age.*
